Good afternoon Courtney,

Thank you for bringing this matter to our attention. I will confer with Chief and Council and Elder Ronnenberg and we will seek to provide an alternative which satisfies the concerns identified below.

I will also provide further information concerning the content of the Saulteau First Nations presentation in light of the correspondence issued by the Panel last week.

Best regards,

Jesse McCormick

Good afternoon Jesse,

Thank you for your email regarding the presentations in January. Specifically, I'm writing about the requested presentations on January 17. The Panel would be most assisted if you could provide us with an update to the proposed presentations on this day in light of the letter issued by the Panel related to this session. Considering the information requested and that other Aboriginal groups have augmented their original registration forms accordingly, the Panel is able to give Saulteau a total of 30 minutes in the session on the 17th.

If you are still intending on presenting a panel of Saulteau members to address the requested information, you should know that Doris Ronnenberg has requested presentation time on this day. The Panel won't be able to accommodate a separate presentation from this member. Please account for this in your update.

Please let me know the presentations you intend.

Thank you,
