

Springpole Gold Project Community Meeting

First Mining Gold is undertaking an Environmental Assessment for the Springpole Gold Project. The proposed Project involves the construction, operation and decommissioning/closure of an open pit gold mine and ancillary activities.

We are inviting you to actively participate in the planning of this undertaking by attending consultation opportunities or contacting staff directly with information, comments or questions.

FMG will be hosting an Information Center to present information and provide an opportunity to provide input on the environmental baseline data and project alternatives. This will be a combination of a formal presentation and a drop-in style meeting with display materials.

Door Prizes!!

DECEMBER 16, 2021

6:00 PM – 8:00 PM

The Legion, Ear Falls

First Mining Gold will be in your community and look forward to meeting you to answer any questions you may have about the Project!
