Good morning,

First Mining Gold is pleased to share with you the new Springpole Gold Project Overview video highlighting key features of the proposed Project and animation of the project description. The video is intended to help provide a better understanding of the Project and facilitate discussions at upcoming community meetings in 2023. Please note, First Mining Gold is planning to host public meetings in Sioux Lookout, ON and Ear Falls, ON this upcoming Spring.

The video can be found at the following link:

In addition to the video, FMG published a draft Environmental Assessment in May 2022 and all documents are available in the link above.

We look forward to hearing from you if you have any questions or comments about this exciting Project.

Best regards,

Community Relations Team
